## Numbering Program in Village of Cambridge

To comply with postal regulations regarding mail delivery service, all houses, stores, apartments and vacant lots have been assigned numbers within the limits of the Village of Cambridge.

If you are a resident of the village, your number should appear below.

It is essential that you place a number on your house, store, or apartment by October 1, 1954, to avoid delay in completing the program.

If any omissions or other corrections are noted, please contact the undersigned immediately.

For the Cambridge Village Board
